2023 – VCE Vocational Major – Parent Payment Policy Arrangements

Dear parent/guardian,

Donald High School is looking forward to another great year of teaching and learning and would like to advise you of Donald High School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to purchase class sets of textbooks; to provide a wider offering of subjects and special curriculum experiences and to provide and maintain technology devices (desktop and laptop computers) for students to use at school.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Paul Aikman
Principal

Julie Slater
School Council President
