How To Order For Your Child At Donald High School

Order online by your school's order-by date to save time, hassle and cost.

Orders placed by your school's order-by date get the first choice of availability, only \$12.00 delivery, and are delivered before the start of school. If you miss your school's order-by date, you can still order! We can't always guarantee stock availability for orders placed after the date, and delivery costs will be higher.

1

Head to www.campion.com.au

Tap 'Parents order here'. Use email or mobile to get your code to login

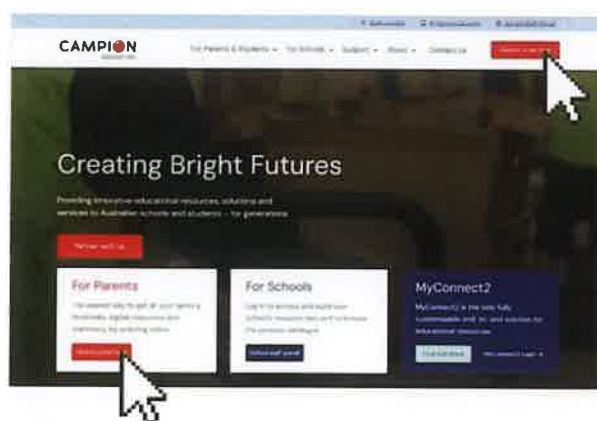

2

Tap on '**Order Now**', then match your student using either their school email address or school name.
(The school email address helps us with eBook delivery, where applicable)

3

Search for the school by name and then use your student's name and Resource List Code to bring up their list.

The Resource List Code for Donald High School is: GBJV

4

Now follow the prompts to select the **year level** for your student.

Select the resources you need by browsing subjects and adding items. Tap the Add button to see quantity of the item suggested by your school, and tap + or - to change the number

5

Select your delivery method:

- **Home Delivery:** Order by **07 December 2025** for home delivery for **only \$12.00 delivery**
- **Standard Delivery:** Online orders after **07 December 2025** will be at an increased cost

6

Complete your details, check the summary, and submit your payment. **And you're done!**

You can also shop at your local Campion store: 5 Yarrowee Street, Ballarat

Bring Your Own Device/Laptop (BYOD)

Donald High School now has a **BYOD** (Bring Your Own Device/Laptop) **program**.

Students are strongly encouraged to purchase and bring their own device to school for use in their education.

Our aim is for every student in every class to have access to a computer, 100% of the time.

The School provision model of supplying computers is no longer a model that can be sustained and meet the increasing demands of students and teachers. To maximise learning opportunities in an ever increasing technological world, we need students to have greater access to computer technology.

As a school we provide, and will continue to provide, a certain number of computers for students to borrow and use in class, but demand has rapidly out stripped supply.

It is for these reasons we are strongly encouraging families to support their child's education by embracing the BYOD program and providing a laptop device for their child to use at school. This BYOD program is similar to those introduced at many other schools.

We understand that purchasing a device may be a financial burden for some families.

Tips for parents when considering a device to purchase:

- Stores may offer **education discounts** when buying for students, please always ask.
- If looking for Apple products, check out <https://apple.com/au/shop/refurbished/mac>. Apple lists macs here at **discounted prices** that have either been returned or repaired. These are certified by Apple. Ensure the device still has the required specifications.

There is no need to purchase the following software, when purchasing a device. The Department of Education can provide the following (at no cost):

- Microsoft Office 365 or related (Word, Excel, Outlook, Powerpoint)
- Adobe Services (Photoshop, InDesign, etc.)
- Minecraft Education Edition
- anti-virus software

(Other applications and software are available from the Department of Education Edustar catalogue – whilst the student is at Donald High School)

Please note that Donald High School does not have insurance to cover accidental damage to students' devices and parents/carers are encouraged to consider obtaining their own insurance for their child's device.

Please see table below the minimum recommended device specifications:

 Great	Midrange Apple/Windows Notebooks (\$1,100-\$1,800) With specifications at or above: • 256GB storage • 8GB memory (RAM) • 6 hours battery life • Operating systems MacOS Sequoia/ Windows 11
 Good	Basic Windows Notebook (\$800-\$1,000) With specifications at or above: • 128GB storage • 6GB memory (RAM) • 6 hours battery life • Operating systems MacOS Sequoia/ Windows 11 *note Windows 10 devices will stop receiving software updates at the end of 2025.
 Not recommended	Apple iPad (\$600) With specifications at or above: • 64GB storage • A physical keyboard • 6 hours battery life • Operating system iPadOS 18 *While an iPad can be used for most things during the school day, certain applications are not supported and therefore may impact learning.

✗ Chromebooks and Android tablets are not suitable, many applications are not supported on these devices.

If you require any assistance or advice regarding software and device specifications before you purchase a device, please contact Brannon Walker, our IT support staff member, at brannon.walker@education.vic.gov.au.

If you have any queries about the Donald High School BYOD program please contact the school on 54971205.

Yours sincerely,

Paul Aikman
